5. Apply the Image Posterize filter with 4 levels.

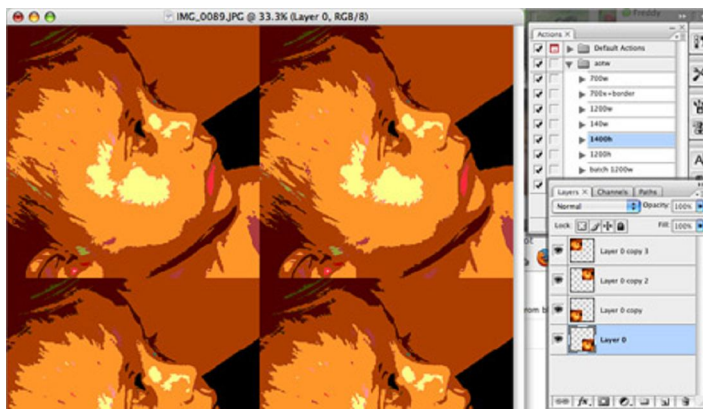

6. Double click the background layer to make it into a free layer. Duplicate the layer four times.

7. Increase the canvas size by 200 percent and arrange each layer into a

corner.

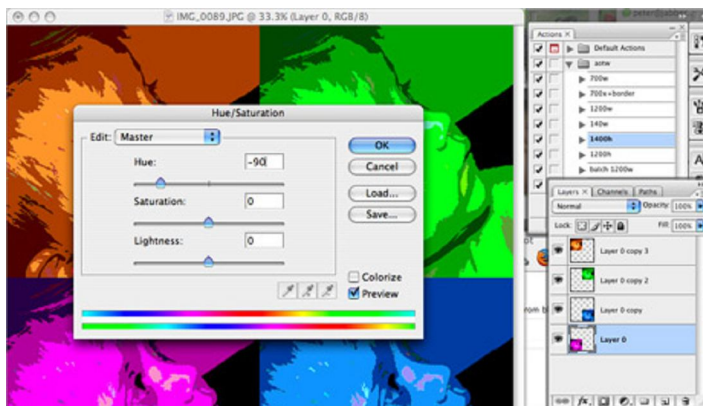

8. Apply the Hue/Saturation filter on the following layers with the following Hue values:

Top left - Unchanged

Top right - Hue 90

Bottom right - Hue 180

Bottom left - Hue -90

And, you're done.
